

## After School Clubs

All our after-school clubs are ran by trained instructors that will guide your children through a progressive learning experience. We will learn about the magic of colour, understanding the world around us and expressive arts & design.

A typical after-school club will last for 1 hour. Running once per week and last between 6-12 sessions.

Clubs run on school grounds and available as an additional wrap around care option for parents of children at the school.

If you would like to establish an after-school club at your school, host and in-class workshop, or have any questions about an existing club please do not hesitate to get in touch.
