# After school Drama Club

**For pupils of Cutthorpe Primary School only**

**From 3.15pm - 4pm every Friday for 6 weeks, starting 14th January 2022.**

**Open to all age pupils**

Our After School Drama Club gives pupils in our local area an opportunity to take part in a performing arts activity straight after school. Each session will be filled with drama games, acting skills and time for the children to create their own pieces of drama and storytelling. If your child loves to use their imagination and loves to pretend, After-School Drama Club is perfect for them. Their confidence will grow and their ability to communicate clearly and effectively will develop with it. Adults leading and assisting the sessions will be fully DBS checked and First Aid trained.
